

SUMMER READING TIMELINES

Directions: Today, you are going to make timelines of *Island of the Blue Dolphins* (IoBD) and *Hatchet*. A **timeline** is when you put events in **chronological** order, the order in which they happened. For each book, put the events in order, from first to last. You can use your books to help you! Start with whatever book you want first, then do the next book.

For example:

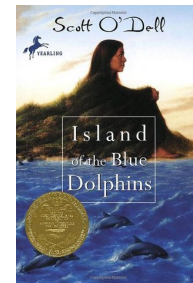

What happened
first in the book

What happened
last in the book
